

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

Please, please reconsider cell phone use. If for not other reason than to keep peace on the plane and avoid confrontation which we all know will eventually happen. You will be propogating and allowing a hostile atmosphere to occur. Flying is nerve wracking enough without listening to constant babble.

Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please leave the current rules in effect. Thank you.

Sincerely,

Linda Kahabka
